

PDF Integration Test Document

This is page 1 of a two-page PDF created for integration testing.
It contains ordinary text that can be extracted and analysed.

Test fields:

- Document type: PDF
- Purpose: Metadata and AI-analysis integration testing
- Expected pages: 2
- Sample reference: TEST-PDF-001

Second Page

This is page 2 of the integration test document.

The second page helps confirm that multi-page PDFs are handled correctly.

Additional sample content:

The quick brown fox jumps over the lazy dog.
